

STCU mobile banking on your RIM Blackberry

Four steps to easy anywhere, anytime access
to your STCU accounts

- 1. DO THIS FIRST: Register for mobile access.**
 - From your computer, visit www.stcu.org and log into online banking.
 - From the “Preferences” menu, select “Mobile.”
 - Check the “Yes, enable my User ID and password” box.
 - Click the “Mobile Authorizations” tab, enter a 4-digit mobile code, and click Submit.
- 2. On your Blackberry, visit us at STCU.mobi.**
 - Enter “stcu.mobi” in your Blackberry’s “globe icon” browser and click the enter button.
 - On the “Mobile Login” screen, enter your online banking ID and password. Click “Login.”
 - Use the links at the bottom of each screen to access various features.
- 3. Bookmark STCU.mobi.**
 - Enter “stcu.mobi” in your Blackberry browser and click the enter button.
 - Click the menu button, choose “Add Bookmark,” and click the enter button.
 - Enter a name for the bookmark (like “STCU mobile”) and click “Add.”
 - When you want to bank on your Blackberry, open your browser, choose the “STCU mobile” link from the list, and click the enter button.
- 4. Assign your browser to a convenience key for quicker access.**
 - From your Blackberry menu, select the wrench-icon “Options” menu.
 - Choose “Screen/Keyboard” from the list of options.
 - Set the right- or left-side convenience key to “Browser.”
 - From the Blackberry menu, select “Close” then “Save.”
