

# STCU mobile banking on your Palm Pre

---

Four steps to easy anywhere, anytime access to your STCU accounts

- 1. DO THIS FIRST: Register for mobile access.**
  - From your computer, visit [www.stcu.org](http://www.stcu.org) and log into online banking.
  - From the “Preferences” menu, select “Mobile.”
  - Check the “Yes, enable my User ID and password” box.
  - Click the “Mobile Authorizations” tab, enter a 4-digit mobile code, and click Submit.
- 2. On your Pre, visit us at STCU.mobi.**
  - Enter “stcu.mobi” in your Pre’s “Web” browser and click the Go arrow.
  - On the “Mobile Login” screen, enter your online banking ID and password. Click “Login.”
  - Use the links at the bottom of each screen to access various features.
- 3. Bookmark STCU.mobi.**
  - Enter “stcu.mobi” in your Pre’s web browser and click the Go arrow.
  - Click the Web menu in the upper left and select “Add Bookmark.”
  - Enter a name for the bookmark (like “STCU mobile”) and click “Add Bookmark.”
  - When you want to bank on your Pre, open your browser, from the Web menu choose “Bookmarks”, and select the “STCU mobile” link from the list.
- 4. Situate STCU.mobi on your phone’s Launcher.**
  - Enter “stcu.mobi” in your Pre’s web browser and click the Go arrow.
  - Click the Web menu in the upper left and select “Page” then “Add to Launcher.”
  - Enter a name for the page (like “STCU mobile”) and click “Add To Launcher.”
  - When you want to bank on your Pre, open your browser, do a “back” gesture, and touch the “STCU mobile” page.
