

STCU mobile banking on your Apple iPhone

Four steps to easy anywhere, anytime access to your STCU accounts

- 1. DO THIS FIRST: Register for mobile access.**
 - From your computer, visit www.stcu.org and log into online banking.
 - From the “Preferences” menu, select “Mobile.”
 - Check the “Yes, enable my User ID and password” box.
 - Click the “Mobile Authorizations” tab, enter a 4-digit mobile code, and click Submit.
- 2. On your iPhone, visit us at STCU.mobi.**
 - Enter “stcu.mobi” in your iPhone’s Safari browser and click “Go.”
 - On the “Mobile Login” screen, enter your online banking ID and password.
 - Click “Go” or “Login.”
 - Use the links at the bottom of each screen to access various features.
- 3. Put STCU.mobi on your home screen.**
 - Enter “stcu.mobi” in your iPhone’s Safari browser and click “Go.”
 - Click the “+” at the bottom of the browser, and click “Add to Home Screen.”
 - Enter a name for the home screen (like “STCU mobile”) and click “Done.”
 - When you want to bank on your iPhone, just touch the “STCU mobile” icon on your home screen.
- 4. Is your home screen too crowded? Bookmark STCU.mobi.**
 - Enter “stcu.mobi” in your iPhone’s Safari browser and click “Go.”
 - Click the “+” at the bottom of the browser, and click “Add Bookmark.”
 - Enter a name for the bookmark (like “STCU mobile”) and click “Done.”
 - When you want to bank on your iPhone, open your safari browser, click the open book icon at the bottom of the browser, and touch the “STCU mobile” link.
